2017 NEPO BUILDING HEALTHY COMMUNITIES SUMMIT

Striving for Health Equity in the Era of Change

THIS ACTIVITY HAS BEEN APPROVED FOR AMA PRA CATEGORY 1 CREDITS™

2017 Building Healthy Communities Summit
Disneyland Hotel, 1150 West Magic Way | Anaheim, California 92802
Thursday, October 19, 2017 - Friday, October 20, 2017
Welcome

The 2017 NEPO Building Healthy Communities Summit is a unique and exciting educational event for physicians, public health professionals, health care advocates, and community leaders. The NEPO Summit will provide you with opportunities to learn about key health policy issues, best practices for reducing health disparities, and cultural competency in clinical care.

The Summit will inspire physicians and healthcare providers to participate in community health efforts and provide them with tools to help them improve healthcare and the quality of life in their communities. Attendees will have the opportunity to hear from nationally acclaimed thought leaders, network with colleagues and earn CME credits.

Building healthier communities is a key component of what community physicians are about. NEPO embraces these challenges and encourages physicians and healthcare providers to come together and work with other organizations across the state to make California healthier for all.

I hope to see you in Anaheim.

Sincerely,

Margaret Juarez, MD
Chair,
Network of Ethnic Physician Organizations

If there is one conference you attend this year, the NEPO Summit is the ONE. You do not want to miss this great opportunity.

Randy W. Hawkins, MD,
Past President,
Charles R. Drew Medical Society

Continuing Medical Education

The California Medical Association/Institute for Medical Quality (CMA/IMQ) is accredited by the Accreditation Council on Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The California Medical Association/Institute for Medical Quality (CMA/IMQ) designates this live activity for a maximum of 12 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The continuing medical education program activities of the California Medical Association are managed by the Institute for Medical Quality. IMQ’s mission is to be an innovative leader in the evaluation and improvement of the quality of patient care in California and beyond. www.imq.org.
